Networking opportunity	5.3(3,7)21	7	Excellent		
Quality of facilities (Venue etc.)	6.3(3,7)22				

**Comments and Suggestions**

Very Nice sessions.

The first half was very fast, someone from IP face should interfere the speaker is unnecessarily speeding up, also please stick to the time which has been circulated in the e-mails.

events@venturecenter are usually not publicized much

Excellent session-more such session required, full-day session will be really helpful.

rutuja appeared a bit junior, IT contract seemed experienced, knowledgeable, mature & Good.
