

TECHNICAL WORKSHOPS SERIES – 2020

<p style="text-align: center;">Tinkering Lab Activity Club Tinkering in a day!.. Core Instrument Training Program <i>- Organized by Tinkering Lab, Venture Center -</i></p>			
Potential gains	<ul style="list-style-type: none"> • Make-Learn-Explore the Tinkering Lab • Learn about prototyping related instruments and sharpen the operational skills. • Bring together a peer group of users with interest in developing prototypes and tinkering around. 		
Organized by	<ul style="list-style-type: none"> • Tinkering Lab, Venture Center 		
Supported by	<ul style="list-style-type: none"> • Venture Center 		
For whom	<ul style="list-style-type: none"> • Undergraduate / Post Graduate Students • Hobbyists / Professionals 		
When	<p>Training dates currently open for registration: Batch 1 : Saturday, 25 Jan 2020, Time: 0930 to 1300 Batch 2 : Saturday, 22 Feb 2020, Time: 0930 to 1300</p>		
Where	300 Protoshop ,NCL Innovation Park, Dr. Homi Bhabha Road, Venture Center, Pune		
Contact	<table border="0" style="width: 100%;"> <tr> <td style="width: 50%;"> Ms. Lipika Biswas Phone: 91-20-25865877 eventsdesk@venturecenter.co.in </td> <td style="width: 50%; vertical-align: top;"> Technical queries: Ms. Sayali Kothmire 91-20-25865877 sayali@web.venturecenter.co.in </td> </tr> </table>	Ms. Lipika Biswas Phone: 91-20-25865877 eventsdesk@venturecenter.co.in	Technical queries: Ms. Sayali Kothmire 91-20-25865877 sayali@web.venturecenter.co.in

Cost	<p>Cost: Rs 500 /- Register at: https://goo.gl/dMjdP7</p> <p>Note:-</p> <ul style="list-style-type: none"> • Attendance only after confirmation of registration by organizers. • Organizers reserve the right to accept or refuse or delay registrations so to optimize the composition of the group and hence maximize learning for all participants. • Fees paid is not refundable and non transferable under any circumstances. 		

Introduction

Tinkerer is “**one who enjoys experimenting and tying out different ideas**”. However, this activity needs to be **focused** and should have **purpose, so as to ensure success in generating new ideas and developing solutions**. And through the process of exploration and invention lies the potential for **innovation**. For this to happen, one should know the operations of all the machines/instruments related to prototyping, hence this session...

Workshop includes

- Membership in mailing list of all participants.
- Demonstrations of handling and operating of equipments in Tinkering Lab
- Tour of the Tinkering Lab and other labs and facilities at Venture Center
- Participation Certificate

Workshop does not provide

- No ranking or scoring shall be provided. Idea is to encourage analytical and operating skills for using prototyping equipments.
- Lunch is not planned under this workshop

Schedule

Time	Session title	Coordinators
0930-1000	Registration	
	Welcome to Venture Center Introduction to the Tinkering Lab and the workshop	Protoshop Team
1000-1245	Demonstration of Prototyping Instruments a) 3D scanner b) 3D Printer c) Laser cutter	Protoshop Team
1245-1300	Q & A and distribution of participation certificates	

About the organizers	
	<p>About Tinkering Lab The Tinkering Lab is a facility developed and managed by Venture Center, NCL Innovation Park, Pune, India. The main aim of the Tinkering Lab is to help inventors and entrepreneurs to build prototypes of their ideas and generally “tinker” around exploring new ideas. The focus is on electronics, instrumentation and optics besides related prototyping and design.</p> <p>For more information about Tinkering Lab: http://tinkeringlab.co.in/</p>
DST PRAYASHALA	<p>About Prayashala The Prayashala is community of Ideators, Entrepreneurs and Imagineers at Venture Center, Pune. More than a makerspace, the Prayashala is all in one innovation center: design, build, test, certify and manufacture your project under one roof.</p> <p>For more information about DST Prayashala: http://www.venturecenter.co.in/prayashala/</p>
	<p>About Protoshop Protoshop combines Tinkering lab and Prayashala, which are the prototyping facilities at Venture Center. Protoshop is an initiative of Venture Center (a technology business incubator hosted by CSIR-NCL) with the generous support from in-house funds and the host Institution. It aims at providing services to the Inventors and Entrepreneurs to design and build their prototypes and bringing their ideas into life.</p> <p>For more information about Protoshop: http://www.protoshop.in/</p>
	<p>About Venture Center Entrepreneurship Development Center (Venture Center) – a CSIR initiative – is a Section 60 company hosted by the National Chemical Laboratory, Pune. Venture Center strives to nucleate and nurture technology and knowledge-based enterprises by leveraging the scientific and engineering competencies of the institutions in the Pune region in India. The Venture Center is a technology business incubator supported by the Department of Science & Technology’s National Science & Technology Entrepreneurship Development Board (DST-NSTEDB). Venture Center focuses on technology enterprises offering products and services exploiting scientific expertise in the areas of materials, chemicals and biological sciences & engineering.</p> <p>For more information, visit http://www.venturecenter.co.in/</p>
