**Other suggestions, comments etc**

Please expand the workshop it was the best
We will like to see what ever you teach through the videos too.
plz keep the session 2 hours or something
It's great and very helpful and a fun way to learn a couple of concepts too.
made the session a little longer, like ten days maybe. But I had a lot of fun!!!
The session was really good. Please teach modular origami next time.
The class can be longer than one week.
i liked the concepts of maths and origami together and enjoyed making the models a lot.
wonderful origami I hope to join next time too.
More sessions of origami related to maths
